Dear Mr. Dulles:

Enclosed is a copy of "A Project for Training Area Specialists" which is being presented by the Social Science Research Council to several government agencies for their consideration.

Col. Matthew Baird of Central Intelligence Agency has a copy of the proposal and has expressed interest in it. Mr. Charles Dollard has suggested that you might be interested in this proposal also. If there are any questions concerning it which you would like to go into further, I would be glad to discuss them with you.

Sincerely yours,
